

Open Awards - Media Permission

A parent or guardian must complete this form for people under 18 years.

This form requests permission to use all written materials, video footage and photographs taken for and by Open Awards (either by Open Awards staff or external organisations).

It includes:

- all footage taken of you;
- all sound recording taken of you;
- any still images taken from the video;
- any quotes; and
- any photographs taken of you.

Please read the below declaration, and sign if you agree:

I give my permission for Open Awards to use any footage and photographs if they decide to do so.

I understand that footage and photographs may be used at different times and that I will not be contacted each time.

I also give permission that any video footage may be edited or altered to be used in other videos and the final decision with the editing rests with the Open Awards team.

I am aware that any footage, photographs or stories shared via social media could be shared further through external websites and digital platforms including national and international broadcasting and media outlets both online and offline.

I also give permission for any photographs/videos that I have supplied to Open Awards myself, to be used as above.

Some of the ways footage or photographs might be used include:

- Open Awards website
- Social media (Facebook and Twitter for example)
- Video-hosting platforms (YouTube and Vimeo for example)
- In other Open Awards information or campaign DVDs
- In Open Awards publications (leaflets, posters, training materials or presentations)
- For broadcast (tv, radio, podcast)
- Any other appropriate use

Please confirm that you agree to Open Awards using your photograph, video or feedback.
