

Certification

(Secure Portal Guidance)

Open Awards utilise Direct Entry of Results (DER), which is an online mechanism for claiming credit for your learners. You can add these credit claims at any point during the delivery of your course and they will sit within the online basket until you are ready to 'checkout'. You can also review the state of all of your 'baskets' by generating the overview reports for any given course run (see 'DER Reports').

Claiming Credit

1. Access the course run via the Portal.
2. Click 'Direct Entry Results by Unit'.
3. Select the unit you want to claim credit for via the drop down (*Figure 1*).
4. Select the appropriate achievement status via the 'Grade' drop down for the given learner (*Figure 2*).

NB: 'Not Achieved' claims will not be certificated and therefore, should not be used unless required for your records. If a learner has not achieved a unit, please leave the 'Grade' blank. Please contact Open Awards should you have any questions about claiming credits.
