Centre Staff Requirements

It is expected that centres will have occupationally competent staff with relevant sector experience for their role in the delivery of the units/qualifications being offered.

Centres are responsible for ensuring that their staff are occupationally competent and have access to appropriate training and support. They are also responsible for notifying Open Awards of staff changes.

Assessment

Open Awards units and qualifications have been designed around the principle that the learner will build evidence towards the achievement of the assessment criteria over a period of time.

Each learner is required to build a portfolio of evidence to demonstrate that all the assessment criteria associated with each unit has been met.

Tutors and Assessors need to ensure that all evidence presented in a portfolio is:

Valid: it should be clearly demonstrating the knowledge or skills that are set out in the assessment criteria. It should be clearly the work of the learner.

Reliable: which means that it will in general, produce the same range of responses from learners, as long as they are used in similar circumstances and with similar groups of learners.

Inclusive: so that no individual learner is excluded from the opportunity to show their achievement because of their individual background or experience.

Assessors are required to review and assess all learner evidence and must be satisfied that

learners have achieved all learning outcomes and assessment criteria relating to the unit being assessed prior to deciding the learner has completed the unit. Assessors will also ensure that the evidence produced by the learner is their own work.

Assessors retain records (e.g. Feedback Sheets, Individual Progress Record, Group Progress Record) on behalf of the centre which are made available and used by the centre's internal verifier / AIV and Open Awards Quality Reviewer / External Verifier.

Verification and Standardisation

Verification is the process by which assessment decisions are confirmed. Centres delivering this qualification have a responsibility to conduct internal verification led by a trained internal verifier.

Centre approval compliance monitoring and External verification is carried out by Open Awards Quality Reviewers/External Verifiers who will confirm that the centre is assessing to standard and ensure that there are robust quality assurance systems embedded.

Further guidance on Internal Verification and Training Support for centres can be found on [our website](#)

Centres are required to contribute to national standardisation as requested by Open Awards and also to carry out appropriate internal standardisation. Open Awards offers Standardisation events that are held throughout the year. Such events will also provide an opportunity to identify and share best practice. Up to date details of training and standardisation events can be found on [our website](#)

Internal standardisation involves ensuring that, where there is more than one tutor/assessor delivering Open Awards provision or more than one site, internally set tasks and the outcomes of internal assessment are consistent across the range of courses.

Recognition of Prior Learning and Achievement (RPL)

RPL is a method of assessment (leading to the award of credit) that considers whether a learner can demonstrate that they can meet the assessment requirements for a unit through knowledge, understanding or skills they may already possess. RPL enables recognition of achievement from a range of achievements and experiences whether at work, home and at leisure and is acceptable for accrediting a unit, units or a whole qualification. Evidence of learning must be sufficient, reliable and valid.

Credit based qualifications enable learners to avoid duplication of learning and assessment through equivalences or exemptions. It is the responsibility of the centre to inform Open Awards at registration of any exemptions and/or equivalences for which a claim may be made. These claims will be subject to external verification by the Open Awards Quality Reviewer for the centre. For more information, please see our [Recognition of Prior Learning Policy](#).
