Open Awards

Introduction

Set up in 1981, Open Awards (formerly Open College Network North West Region) has been in business for over 40 years. We are a Company Limited by Guarantee and a registered charity.

Open Awards is based in Speke, Liverpool and currently employs 40 full-time and part-time staff and a number of external moderators who are currently contracted on an annual basis. The range of services we offer is extensive as we aim to deliver an effective and efficient service.

We welcome applications from all sectors and communities and are able to make specific arrangements and adjustments for candidates whose circumstances require this.

What We Do

Open Awards is a partnership of many different organisations, including Further Education Colleges, Higher Education Institutions, Voluntary and Community Organisations, and Employers. We are an Awarding Organisation recognised and regulated by OfQual to develop and approve units and qualifications for inclusion in the register of regulated Qualifications. We are also recognised by the Quality Assurance Agency for Higher Education (QAA) as an Access Validating Agency (AVA) to develop and approve Diplomas leading to entry to Higher Education.

We work with education and training organisations to promote quality and access in education and training so that individual learners can obtain nationally recognised credit and qualifications for achievements.

Open Awards encourages the development of qualifications to meet the needs of adults under-represented in education and training. We work with schools, employers and training providers to develop alternative qualifications for learners. Each year thousands of learners use our credits to progress on to other courses and qualifications in Further and Higher Education, in the community and in the workplace.

Open Awards seeks to:

- improve education and training opportunities for learners;
- ensure flexibility of learning opportunities;
- provide progression opportunities through credit accumulation and transfer arrangements; and
- provide and enhance equality of opportunity in all aspects of the learning environment.

The vision, mission and values of Open Awards are:
