Providers **must** return **all** assessments (this includes unused papers) to Open Awards on the day, or at the very latest the day after an assessment has taken place for security reasons. Failure to comply may result in a delay to the result release and could result in a sanction and the refusal to process any further paper-based assessments.

A fee of **£8 per learner, per assessment paper** for all Functional Skills paper-based assessments is chargeable to all providers. This is in addition to the registration fee. The fee will be applied upon the scheduling of the paper-based assessment and is non-refundable.

Please note, the dates specified will be the latest date the results will be released. Results release dates will be reviewed once the awarding process is complete for all available assessment versions.
