

End-point Assessment

Open Awards brings a wealth of experience and knowledge to the EPA market through our related products and services.

A high-quality EPA solution that is credible and underpinned by robust quality assurances processes.

Simple apprentice-centric processes and the flexibility to accommodate an employer's individual needs and circumstances.

Extensive experience in education and training, along with the capacity to expand our portfolio of assessments where there is employer demand.

Assessment materials and support guidance for apprentices, employers and training providers, developed by experienced occupational experts.

Service Level Agreement

Employers are responsible for choosing the End-point Assessment Organisation for their assessments. If Open Awards are chosen, the training provider will need to complete the service request form and sign a Service Level Agreement with Open Awards.

There is no charge for this process.
