

## End-point Assessment

Open Awards brings a wealth of experience and knowledge to the EPA market through our related products and services.

**A high-quality EPA solution that is credible and underpinned by robust quality assurances processes.**

**Simple apprentice-centric processes and the flexibility to accommodate an employer's individual needs and circumstances.**

**Extensive experience in education and training, along with the capacity to expand our portfolio of assessments where there is employer demand.**

**Assessment materials and support guidance for apprentices, employers and training providers, developed by experienced occupational experts.**

## Service Level Agreement

Employers are responsible for choosing the End-point Assessment Organisation for their assessments. If Open Awards are chosen, the training provider will need to complete the service request form and sign a Service Level Agreement with Open Awards.

There is no charge for this process.
