The Experienced Worker Assessment is based on the qualification requirements as defined in accordance with the associated ECS Card, so that both new entrants and existing workers are now being assessed and accredited against the same industry standard.

The assessment has been approved by the Joint Industry Board and ECS.

### Service Level Agreement

Training providers and employers are responsible for choosing the apprenticeship assessment organisation for their apprentices. If Open Awards are chosen, the training provider will need to complete the service request form and sign a Service Level Agreement with Open Awards.

There is no charge for this process.
