About the Qualification

Title	Functional Skills Qualification in Information & Communication Technology (ICT)
QAN	600/7882/0
Sector	14.1 Foundations For Learning and Life
Level	Entry Level 3
Funding	Please click here for more information
Pricing Information	Please click here for more information
Review Date	31/08/2021

Ofqual Purpose	Prepare for further learning or training and/or develop knowledge and/or skills in a subject area
Ofqual Sub-Purpose	Prepare for further learning or training

Total Qualification Time/Guided Learning	
Guided Learning (hours)	45

Age Range and Restrictions:	
Pre -16	✓
16 – 18	✓
19+	✓
Any other restrictions specific to the qualification(s)	None

Any specified entry requirements
There are no restrictions on learner entry to these qualifications. However, it is recommended that learners undertake a comprehensive initial diagnostic assessment to ensure that they are following an appropriate learning programme leading to a summative assessment.

Recommended Assessment Method Summary

The assessments for ICT cover all three interrelated skills areas and are externally set by Open Awards and internally marked by the centre. Office 2007 or above is required to deliver the assessments. Sample assessments are available [here](#).

The three interrelated skill areas are:

- Using ICT systems
- Finding and selecting information
- Developing, presenting and communicating information

The assessments are designed as assessment tasks based on real-life contexts.

Contexts may be

based on:

- Work and education
- Community, citizenship and environment or
- Family, home and social issues

Assessments at Entry Level are available using the paper-based mode of delivery only.

Reasonable adjustments and special considerations may be required for individual learners to enable them to undertake assessments fairly. Please see our Access to Fair Assessment Policy available on the [Portal](#) for details on how to apply for and implement these measures.

Subject Content

The external assessments for the Open Awards Functional Skills Qualification in ICT at Entry 3 have been designed to cover the three inter-related skill areas of:

- Using ICT systems
- Finding and selecting information
- Developing, presenting and communicating information

Each assessment opportunity covers all the skill standards at the level of assessment. In order to assess the skill standards a number of coverage and range statements will be assessed by individual external assessments. Open Awards will ensure that all the coverage and range statements are covered over a rolling period.

Skill Standard	Coverage and Range
Using ICT Systems 1. Interact with and use an ICT system to meet given needs 2. Store information 3. Follow safety and security practices Assessment weighting 20-30%	1a) Use correct procedures to start and shut down an ICT system 1b) Use input and output devices 1c) Use software applications to meet needs and solve given problems 1d) Recognise and use interface features 1e) Change simple software settings 2a) Open and save files 2b) Know how to insert and remove media 3a) Use and change passwords 3b) Minimise physical stress
Finding and selecting information 4. Use simple searches to find information 5. Select relevant information that matches requirements of given task Assessment weighting 10-20%	4a) Search stored information 4b) Search web-based sources of information 5a) Recognise and take account of currency, relevance bias and copyright when selecting and using information

<p>Developing, presenting and communicating information</p> <p>6. Enter and develop different types of information to meet given needs</p> <p>7. Use appropriate software to meet requirements of straightforward data handling task</p> <p>8. Use ICT-based communication</p> <p>Assessment weighting 50-70%</p>	<p>6a) Enter, edit and format information including text, graphics, numbers or other digital content, to achieve the required outcome</p> <p>6b) Insert and position graphics or other digital content to achieve a purpose</p> <p>6c) Process numbers to meet needs</p> <p>7a) For print and for viewing on screen</p> <p>7b) Check for accuracy</p> <p>7c) Check suitability of information</p> <p>8a) Read, send and receive electronic messages</p> <p>8b) Use contacts</p> <p>8c) Understand the need to stay safe and to respect others when using ICT-based communication</p>

Delivering this Qualification

Becoming a Centre

To deliver this qualification you must be a recognised Open Awards centre. For more information, head to our website or contact the team on 0151 494 2072

How to Deliver

You can deliver this qualification by completing a [New Qualification Request Form](#) via the Open Awards portal. For more information, see the Centre Handbook, or contact the team on 0151 494 2072.

Registering Learners

Once you are ready to deliver this qualification, you will need to register your learners in line with the timescales below:

Short courses (15 weeks or less) within 25 working days of the course start date.

Full year long courses (over 15 weeks) within 60 working days of the course start date.

You will need to register your learners via the Open Awards [portal](#).

Quality Assurance and Standardisation

Delivery of this qualification must be done so in accordance with Ofqual regulatory guidelines and in line with Open Awards' quality assurance processes. Template forms and guidance documents are available via the Open Awards portal.

Centre Staff Requirements

To deliver our Functional Skills qualifications Open Awards expects that centre staff meet the following minimum requirement:

- Tutors have relevant teaching experience and/or a qualification, and experience and/or a qualification in the relevant subject area, as a minimum at a level above that which is being taught
- Although not mandatory, best practice would be for Assessors to hold the relevant D32/D33/A1/AQA unit(s) and Level 3 Award in Education or Training. Likewise, best practice would be for Internal Verifiers to hold the relevant D34/V1/IQA unit(s).

Centres are responsible for ensuring that their staff are suitably skilled and experienced. Tutors/ assessors and internal quality assurance (IQA) staff must have relevant occupational knowledge and/or occupational competence at the same level or higher as the units being delivered.

Centres are responsible for notifying Open Awards of staff changes.

Assessment

Assessment is through a single externally set, internally marked, paper-based assessment. Centres must ensure that these assessments are carried out in controlled conditions to minimise the potential for plagiarism. In order to ensure these conditions are enforced external assessments must be delivered in accordance with our:

- [Assessment Venue Requirements](#)
- [Invigilation Requirements](#)

Centres must ensure that there are no conflicts of interest between the Invigilator and earners by checking in advance of the assessment (e.g. a relative of a learner or there is a personal interest in the outcome of the assessment).

Centres are able to design their own Entry Level assessments should they wish. However, they must submit these assessments to Open Awards for approval at least 15 working days before the planned date of assessment with learners.

Administration of Assessment

Learners must be registered in accordance with Open Awards policy prior to any Functional Skills assessments taking place.

Once learners are ready to take the assessment, centres should download and print the assessment paper from the Open Awards [Portal](#).

Learners should never take the same live assessment twice. Where this is found to have taken place the assessment result will be disqualified.

Training and support

Open Awards offers training and support events in Delivery & Assessment and Quality Assurance. These events are held throughout the year. Such events will also provide an opportunity to identify and share best practice. Up to date details of these training events are on our [website](#).

Internal Quality Assurance (IQA)

All centres delivering Open Awards provision must operate rigorous internal quality assurance systems. A centre must identify how they will internally quality assure and standardise their delivery and assessment before delivering a course.

External Quality Assurance (EQA)

Centre approval compliance monitoring and external quality assurance is carried out by Open Awards' Lead Quality Reviewers/External Quality Assurers who will confirm that the centre is assessing to standard and ensure that there are robust quality assurance systems embedded.

Please refer to Internal and External Quality Assurance within the Centre Handbook.

Standardisation

Centres are required to contribute to national standardisation as requested by Open Awards. Open Awards offers Standardisation events that are held throughout the year. Such events will also provide an opportunity to identify and share best practice. Up to date details of training and standardisation events can be found on our website.

Further guidance on Quality Assurance and Standardisation please refer to the [Centre Handbook](#)

Recognition of Prior Learning and Achievement (RPL)

RPL is a method of assessment that considers whether a learner can demonstrate that they can meet the assessment requirements for a unit through knowledge, understanding or skills they may already possess. Evidence of learning must be sufficient, reliable and valid.

It is the responsibility of the centre to inform Open Awards at registration of any exemptions and/or equivalences for which a claim may be made. These claims will be subject to external verification by the Open Awards' Lead Quality Reviewer for the centre.

For more information, please see our Recognition of Prior Learning Policy found on the Open Awards [portal](#).

Resits

Over the duration of the course run, learners are permitted to re-sit an assessment up to three times. The same assessment must not be attempted more than once. If the learner has not passed the assessment before the end of the course run then s/he must be re-registered before re-sitting.

Centres are responsible for preparing their learners for the assessment and should ensure that the approach to resits is appropriate. Learners should be discouraged from repeated resits and be provided with further teaching and learning to support successful achievement of the qualifications where learners have not passed the assessment.

A learner can resit an assessment after a period of two weeks from the date of the issue of results. The assessment should be scheduled following the scheduling process outlined in the [Centre Handbook](#).
