Apprenticeship – Level 3 Youth Support Worker (ST0906)

The Level 3 Diploma in Youth Work Practice, designed in partnership with the NYA and endorsed by the Joint National Council, is a mandatory qualification within the Level 3 Youth Support Worker Apprenticeship Standard. The achievement of this qualification forms part of the evidence required for an apprentice at gateway and before they commence their end-point assessment.

Other gateway requirements are:

- Confirmation from the employer, training provider and apprentice that the apprentice is working at or above the occupational standard
- Achievement of English and Mathematics at Level 2
- Completed portfolio of evidence to underpin the professional discussion

More information about the apprenticeship standard, including the assessment plan, can be found on the Institute for Apprenticeships and Technical Education website [here](#).

Open Awards is an End-point Assessment Organisation (EPAO) for this apprenticeship standard. It is not a requirement to use the same awarding body and EPAO for both the qualification and end-point assessment.

Employers can choose which EPAO they want to use from those listed on the Register of EPAOs [here](#).

If you choose to use Open Awards for both the mandatory qualification and the end-point assessment for this apprenticeship standard, apprentices must be registered for both. Please note, there are separate registration fees for both the qualification and end-point assessment.

More information about the end-point assessment for the Level 3 Youth Support Worker (ST0906) offered by Open Awards can be found [here](#).

If you would like to talk to a member of the team about either the delivery of the qualification or the end-point assessment, please contact us on 0151 494 2072 or enquiries@openawards.org.uk.

Assessment

Open Awards units and qualifications have been designed around the principle that the learner will build evidence towards the achievement of the assessment criteria over a period of time. Each learner is required to build a portfolio of evidence to demonstrate that all the assessment criteria associated with each unit has been met.

Tutors and assessors need to ensure that all evidence presented in a portfolio is:

Valid: it should clearly demonstrate the knowledge or skills that are set out in the assessment criteria. It should also clearly be the work of the learner.

Reliable: it will in general, produce the same range of responses from learners, as long as they are used in similar circumstances and with similar groups of learners.

Inclusive: so that no individual learner is excluded from the opportunity to show their achievement because of their individual background or experience.

Assessors are required to review and assess all learner evidence and must be satisfied that learners have achieved all learning outcomes and assessment criteria relating to the unit being assessed prior to deciding the learner has completed the unit. Assessors will also ensure that the evidence produced by the learner is their own work.

Assessors retain records (e.g. Feedback Sheets, Individual Progress Record, Group Progress Record) on behalf of the Provider which are made available and used by the Provider's Internal Quality Assurer and Open Awards' Quality Assurance Team.

Training and support

Open Awards offers online training and support in Delivery and Assessment and Quality Assurance. These can be accessed, free of charge from the Open Awards [e-shop](#). An everlasting coupon (PLUC code) will be issued to each Provider to gain free access to our online Provider training courses.

Internal Quality Assurance (IQA)

All Providers delivering Open Awards provision must operate rigorous internal quality assurance systems. A Provider must identify how they will internally quality assure and standardise their delivery and assessment before delivering a course.

Providers must:

- hold a JNC Professional Youth Work qualification and three years' practice experience, with field work experience in the context of youth work, community work, community education or the voluntary community sector, and/or have broader relevant experience across the youth and community sector in a capacity recognised by the JNC/ETS within the last 3 years;
- have recent experience (within the last three years) of internal quality assurance preferably within an occupational area with relevance to youth work;

- have a sound understanding of the National Occupational Standards for Youth Work;
- have a sound understanding of the requirements for assessment within Ofqual;
- hold or be working towards an Internal Quality Assurance qualification (i.e. D.34, V1);
- be committed to, and able to evidence, further training and development.

External Quality Assurance (EQA)

Provider approval compliance monitoring and external quality assurance is carried out by the Open Awards Quality Assurance Team / External Quality Assurers who will confirm that the Provider is assessing to standard and ensure that there are robust quality assurance systems embedded.

Please note, as this is a higher-level Open Awards qualification that requires specialist external quality assurance, AIV status does not apply to this qualification.

Our EQA team will:

- hold a JNC professional youth work qualification or an aligned professional qualification (one that is related to children, young people and families, teaching or social work).
- have a sound understanding of the National Occupational Standards for youth work.
- have recent experience of external quality assurance.
- hold or be working towards an external quality assurance qualification.
- have a sound understanding of the requirements for assessment within Ofqual.

Please refer to the NYA/ETA [Assessment Strategy](#) document for further guidance and refer to Internal and External Quality Assurance within the Provider Handbook.

Standardisation

Providers are required to contribute to national standardisation as requested by Open Awards. Open Awards offers standardisation events that are held throughout the year. Such events will also provide an opportunity to identify and share best practice. Up to date details of training and standardisation events can be found on our website.

For further guidance on Quality Assurance and Standardisation, please refer to the [Provider Handbook](#).

Recognition of Prior Learning and Achievement (RPL)

RPL is a method of assessment that considers whether a learner can demonstrate that they can meet the assessment requirements for a unit through knowledge, understanding or skills they may already possess. Evidence of learning must be sufficient, reliable and valid.

It is the responsibility of the Provider to inform Open Awards at registration of any exemptions and/or equivalences for which a claim may be made. These claims will be subject to external quality assurance by the Open Awards Quality Assurance Team.

For more information, please see our Recognition of Prior Learning Policy found on the Open Awards [portal](#).

Health and Safety

Due to the practical requirements of some of the units within this qualification, Providers must ensure that appropriate risk assessments are in place for both the activities and individual learners to ensure learner and staff safety throughout the course. As part of this, Providers must ensure that learners and staff have access to suitable clothing and personal protective equipment (PPE) where appropriate.
