

# Open Awards Qualification Unit

## Form OAQU

This unit forms part of a regulated qualification. Click [here](#) to view qualifications.

### 1 Unit Details

Unit Title:	Video Software.
QAC Code:	T/502/4394
Level:	Level 3
Credit Value:	4
Minimum GLH:	30

### 2 Learning Outcomes and Criteria

Learning Outcome (The Learner will):	Assessment Criterion (The Learner can):
1. Use video hardware and software to capture sequences.	1.1 Determine the content needed for sequences and when to originate it.
	1.2 Explain any compatibility issues between combinations of input device and video software.
	1.3 Select and use an appropriate combination of input device and video software to optimise the recording of information.
	1.4 Select and use an appropriate combination of hardware and software to originate and develop new content for sequences.
	1.5 Analyse and explain the impact file sizes and file formats will have, including when to use information coding and compression.
	1.6 Store and retrieve sequences using appropriate file formats and compression, in line with local guidelines and conventions where available.
2. Use video software tools and techniques to edit sequences.	2.1 Select and use appropriate video software tools and techniques to mark up and edit sequences to achieve required effects.

	2.2	Provide guidance on how copyright constraints affect use of own and others information.
	2.3	Organise, combine and link information for sequences in line with any copyright constraints, including across different software.
3. Play and present video sequences.	3.1	Explain the features and constraints of playback software and display devices as appropriate for different purposes.
	3.2	Select and use an appropriate combination of video playback software and display device to suit the file format.
	3.3	Present sequences effectively by exploiting the features and settings of the playback software and display device to maximise quality and meets needs.
	3.4	Evaluate the quality of sequences and explain how to respond to quality issues and problems.
