

# Access to H.E. National Programme Unit

Unit Title:	Progress and Schedules		
Graded Unit Code:	GA36CON20	Ungraded Unit Code:	UA33CHE07
Pathway(s):	Construction and the Built Environment		
Module(s):	Construction		
Level:	3	Credit Value:	6
Valid from:	3 <sup>rd</sup> March 2016	Valid to:	2 <sup>nd</sup> March 2021

**The following QAA grade descriptors must be applied if you are delivering the graded version of this unit:**

1	Understanding of the subject
2	Application of knowledge
7	Quality

LEARNING OUTCOMES	ASSESSMENT CRITERIA
<b>The learner will:</b>	<b>The learner can:</b>
1. Know how to prepare for operations in line with work schedules.	1.1 Describe the processes required to confirm resources are suitable for the work activity and for informing relevant parties when they are deemed to be unsuitable including the identification of suggested alternative resources where appropriate.
	1.2 Discuss situations which could be considered to have the potential to disrupt work operations and techniques for putting in place new courses of action to enable the work to progress.

# Access to H.E. National Programme Unit

	1.3 Discuss procedures for confirming deviations from planned progress and ways of agreeing corrective action with those involved in the work.
2. Understand how to monitor and improve work operations.	2.1 Discuss how the work specification is clarified, include an identification of the cost and time saving options and how any recommendations for improving cost and time efficiencies are recorded
	2.2 Detail how out work is to be carried out to defined specification and in line with organisation and regulatory requirements and how key personnel would be notified of progress and of options for changes.
