

# Qualification Unit

This unit forms part of a regulated qualification.

**Unit Title:** Introduction to Using and Maintaining Engineering Tools

**Unit Reference Number:** R/503/4155

**Level:** Level One (1)

**Credit Value:** Three (3)

**Minimum Guided Learning Hours:** 30

Learning Outcome (The Learner will):	Assessment Criterion (The Learner can):
1. Be able to use tools safely	1.1 Observe correct health and safety procedures in relation to handling tools
2. Know about manual tools and their uses	2.1 Name four manual tools used in engineering and state their use
	2.2 Demonstrate the correct use of two manual tools
3. Know about power tools and their uses	3.1 Name three power tools used in engineering
	3.2 Select and use two power tools correctly
4. Be able to maintain and store manual tools	4.1 List two points to take into account when storing tools
	4.2 Identify when a tool needs sharpening
	4.3 Identify and conduct a safe inspection of power tools
