

Open Awards Qualification Unit

This unit forms part of a regulated qualification.

1 Unit Details

Unit Title:	Carry out Basic Blocklaying
Unit Reference Number:	M/506/5025
Level:	Level 1
Credit Value:	7
Minimum GLH:	70

2 Learning Outcomes and Criteria

Learning Outcome (The Learner will):	Assessment Criterion (The Learner can):
1. Be able to prepare to build block walling to the given instruction and specification	1.1 Confirm instructions to establish own work to be carried out
	1.2 Check that information sources comply with good practice guidance and the work specification
	1.3 Record discrepancies in information relating to the work and report to the authorised person
	1.4 Produce a checklist of the resources required to carry out block walling and form joint finishes
	1.5 Select the correct method of laying block walling to the required specification
	1.6 Carry out basic calculations to determine quantities of resources required for building block walling to the given specification
	1.7 Carry out checks to ensure that resources are suitable for constructing block walling
2. Be able to set out for block walling to the given specification	2.1 Position blocks, mortar and components in a safe manner
	2.2 Handle and lift blocks within recommended safety limits and in accordance with legislation and official guidance

	2.3	Set out to build straight block walls and return corners in accordance with the work specification
3. Be able to build block walling using dense concrete and lightweight insulation blocks to the given specification	3.1	Prepare and cut blocks and components by hand in a safe and correct manner
	3.2	Build straight block walls and return corners using dense concrete and lightweight insulation blocks to the given specification
	3.3	Produce joint finishes to block walling to meet the given specification
	3.4	Conduct checks on completed work to ensure that it meets the given specification
