Open Awards Qualification Unit

This unit forms part of a regulated qualification.

1 Unit Details

Unit Title:	Carry out Basic Bricklaying
Unit Reference Number:	K/506/8165
Level:	Level 1
Credit Value:	9
Minimum GLH:	90

2 Learning Outcomes and Criteria

Learning Outcome (The Learner will):	Assessment Criterion (The Learner can):
1. Be able to prepare to build brick walling to the given instruction and specification	1.1 Confirm instructions to establish own work to be carried out
	1.2 Check that information sources comply with good practice guidance and the work specification
	1.3 Record discrepancies in information relating to the work and report to the authorised person
	1.4 Produce a checklist of the resources required to carry brick walling and form joint finishes
	1.5 Select the correct method of laying brick walling to the required specification
	1.6 Carry out basic calculations to determine quantities of resources required for building brick walling to the given specification
	1.7 Carry out checks on the suitability of resources for brick walling
2. Be able to set out for brick walling to the given specification	2.1 Position bricks, mortar and components in a safe manner
	2.2 Handle and lift bricks within recommended safety limits and in accordance with legislation and official guidance

The intellectual property rights remain with Open Awards

	2.3	Set out to build straight brick walls, return corners and junctions in accordance with the work specification
3. Be able to build straight brick walling and return corners in half brick stretcher bond	3.1	Prepare and cut bricks and components accurately by hand in a safe and correct manner
	3.2	Set out and build straight brick walls, lining in straight lengths, and return corners in half brick stretcher bond to the given specification
	3.3	Produce joint finishes to brick walling to meet the given specification
	3.4	Conduct checks on completed work to ensure that it meets the given specification
4. Be able to build straight brick walling and return corners in one brick walling	4.1	Prepare and cut bricks and components accurately by hand in a safe and correct manner
	4.2	Build straight brick walls (English and Flemish bond) and return corners in one brick walling to the given specification
	4.3	Produce joint finishes to brick walling to meet the given specification
	4.4	Conduct checks on completed work to ensure that it meets the given specification
5. Be able to form junctions in brick and block walling	5.1	Prepare and cut bricks and components accurately by hand in a safe and correct manner
	5.2	Form junctions in brick and block walls to the given specification
	5.3	Produce joint finishes to walling to meet the given specification
	5.4	Conduct checks on completed work to ensure that it meets the given specification
