Qualification Unit

This unit forms part of a regulated qualification.

Unit Title: Use a Pedestrian Operated Cylinder Mower

Unit Reference Number: T/618/7203

Level: Level One (1)

Credit Value: Two (2)

Minimum Guided Learning Hours: 20

Learning Outcome (The Learner will):		Assessment Criterion (The Learner can):	
1.	Know how to use a pedestrian operated cylinder mower	1.1	Identify different power unit types for pedestrian operated cylinder mowers
		1.2	Identify suitable sites for using pedestrian operated cylinder mowers
		1.3	Identify relevant pre-start checks and adjustments for the cylinder mower being used, in line with appropriate health and safety practices
		1.4	Identify correct fuel for cylinder mowers
2.	Be able to prepare pedestrian operated cylinder mowers for use	2.1	Carry out pre-start checks and adjustments relevant to the type of cylinder mower and in line with appropriate health and safety practices
		2.2	Safely refuel the cylinder mower as appropriate
		2.3	Confirm the cylinder mower is safe and ready for use
3.	Be able to use a pedestrian operated cylinder mower	3.1	Select Personal Protective Equipment (PPE), tools and equipment in accordance with risk assessment and health and safety guidance
		3.2	Perform a site check of the identified work area for hazards and obstacles
		3.3	Remove hazards and obstacles in preparation for mowing

The intellectual property rights remain with Open Awards.

		3.4	Start the cylinder mower using correct start procedure for power type being used
		3.5	Mow the identified area
		3.6	Manoeuvre the cylinder mower safely demonstrating correct health and safety practices at all times
		3.7	State what actions should be taken if faults and damage occur when using a cylinder mower
		3.8	State who faults, errors and damage caused to and by the mower should be reported to
4.	Be able to clean and store cylinder mower appropriately and safely after use	4.1	Clean the cylinder mower after use, following correct safety practices relevant to power type
		4.2	Store the cylinder mower appropriately and in line with safety guidance following use
		4.3	Dispose of waste and debris according to site requirements and in line with relevant health and safety guidance
		4.4	Leave the site clean and tidy

The intellectual property rights remain with Open Awards.
