Indicative Content	
LO1	Learners should understand the equipment and materials required for EPP, including self-cut and commercial papers
LO2	Learners should have an understanding of geometric shapes and how they fit together in EPP. They should be able to accurately draft papers for EPP. They should also know how to select fabrics suitable for EPP, and how to achieve interest in the quilt with fussy cutting and fabric selection.
LO3	Learners should produce an impactful and pleasing design for their small quilt which showcases fabric choice and fussy cutting (if appropriate). The learner will demonstrate the ability to form small, neat piecing stitches, which hold the patchwork together with strength, and regularly placed quilting stitches. The quilt will be finished neatly with a technique to ensure longevity. The learner should include an explanation of the techniques employed in their personal journal.
