

Qualification Unit

This unit forms part of a regulated qualification.

Unit Title: Master Quilt Project

Unit Reference Number: A/650/0637

Level: Three (3)

Credit Value: Ten (10)

Minimum Guided Learning Hours: 30

Learning Outcome (The Learner will):	Assessment Criterion (The Learner can):
1. Be able to design a quilt	1.1 Design a quilt to measure at least 60 inches across the diagonal
	1.2 Produce an overview of the design
2. Be able to demonstrate a range of quilting techniques and tools	2.1 Perform a range of techniques when completing the quilt
	2.2 Produce quilting that complements the patchwork and appliqué top
3. Be able to demonstrate methods of finishing	3.1 Perform a range of finishing methods for a quilt
4. Be able to prepare the quilt for display	4.1 Prepare the quilt for display

Indicative Content	
LO1	Learners should demonstrate all aspects of the elements and principals of design and many of the techniques learnt. They should demonstrate improvement on work created prior to this course.
LO2	Learner should create an attractive, well-designed quilt, incorporating learning from several of the previous units. The quilt will be reviewed for the appropriateness of the techniques used and their execution. The quilting should complement the patchwork and/or appliqué top.
LO3	The quilt should hang well, without waviness, from a well-stitched hanging sleeve.
LO4	The quilt should have a properly prepared quilt label sewn to the reverse.
